Grand Knight – Bryant Perszyk

Worthy Brothers All,

I can't believe we are starting a new fraternal year. I must begin by thanking all the officers and brothers that made this past year so memorable. I would especially like to thank PGK Paul Gloekler

for his leadership and his efforts to revitalize our council in the principles of Faith in Action.

Our goal for this year is "getting everyone involved". Last month we asked everyone to fill out a survey to determine what areas brothers would like to participate in. Please return those to us ASAP. If you sponsor a new member take the responsibility and mentor that brother to insure he is included in programs he is interested in.

At the recent state convention, one of the speakers asked of everyone the following question "Why did we join the Knights"? We all need to ask ourselves that question, certainly not for the 1 hour meeting each month. Strive to become better Catholics, make a difference, participate in a program, and help your parish and council to reach new heights.

The state K of C motto for the year is "Strength in Prayer". Let us take every opportunity to join as a council in prayer. We have a council hour of adoration on Friday from 11 AM – Noon (**see bottom, page 4**), we definitely could use more participation. I challenge all my brothers to spend an hour a month in adoration. Let's fill the chapel with green shirts. I'm asking our Faith and Family directors to create more opportunities where we can join each other in prayer.

We have a number of activities coming up. The 4th of July parade in Flagler Beach kicks off at 10 AM, join us. We will have a truck to ride in the parade and there will be refreshments following the parade (**see flyer, page 5**). The council will host a night at the ballgame at Tortugas stadium in Daytona Beach on August 19th. See DD Kevin Ryan for tickets (**see flyer, page 7**).

I want to thank all of my brothers for the confidence you have shown in me to elect me as your Grand Knight for the fraternal year. I am truly honored. I and the rest of your officers will strive to uphold the rich traditions of Notre Dame Council.

Fraternally,  
Bryant

District Deputy – Kevin Ryan

Brothers,

I can remember my Grandmother saying "Out with the old and in with the new". I am very thankful that is not a saying that applies to Council 10514. I'm choosing to rephrase by saying "In with the new in

order to continue the fine leadership and mission that has always been the standard established by Notre Dame Council 10514"!

My never-ending thanks to Grand Knight Paul Gloekler and his fine team of officers that carried us through the 2021-2022 Fraternal Year. The year was not without challenge, but true to the Knights we met it head on. My thanks to all our Brothers that answered every call for help put out this year. The kitchen crew was superb and we did not miss a beat with all their offerings, dinners, Fish Fry's and all event support. Our youth presence soared to new heights with the Family Picnic added and District wide leadership of events and the dedication to the Parish and its spiritual growth. A very special thanks

to our, Lecturer, Brother George Melendez for the reflective reverence brought to every meeting, and this was a gift to all this year.

Now it's time to look ahead. We have even a more challenging time ahead. We have a very unsettling world and attacks of our Faith occurring. The Knights are needed now more than ever. I truly believe that the new Officers are amazingly equipped to handle all that is thrown at them. You have a great roadmap to continue and enhance. You have a tremendous advantage with the fine Brothers in this Council. You are the Defenders of the Faith. You are the leaders the parish will turn to. You are "These men they call Knights" and most of all are "The Knights of the Eucharist"!!!!

I thank you all for the tremendous support you gave me and the Order this year. It is truly an honor to be your District Deputy and call every one of you Brother.

Vivat Jesus!  
Kevin

### WHY A KNIGHTS OF COLUMBUS ANNUITY MIGHT BE RIGHT FOR YOU

Let's start with the basics: An annuity is a tax-favored savings instrument. The government gives it special tax treatment because it's designed for retirement income. An annuity can be qualified or in other words, funded with money that you have not

yet paid taxes on, like a TRADITIONAL IRA. Or it can be non-qualified, that is, funded with money you've already paid the tax on. Like money you take from your paycheck or out of your savings account. Either way, the tax on the growth in your Knights of Columbus annuity each year is deferred...you pay no current tax on it and pay only when you withdraw money.

An annuity can be a great product in the right situation, especially a Knights of Columbus annuity. In addition to tax deferred growth, here are a few advantages offered by the Knights of Columbus:

1. Your minimum interest rate is guaranteed...for life! There is a floor that the interest rate will never drop below. This feature means nobody has ever lost a dime in a Knights of Columbus annuity...and never will!
2. Your principal is guaranteed by the Knights. Now that kind of guarantee is only as good as the company backing it...and we've had 40+ years of Superior ratings from A. M. Best for financial strength. (As of January 2022, rated A+ Superior by A. M. Best)
3. You are charged no administrative fees each year...100% of your money goes to work for you earning interest from day one.

4. Even though annuities are designed for long-term growth, after one year you can access 10% of the value each year without any KofC penalty.

5. Owners of annuities name a beneficiary; this means that at death, the proceeds bypass probate. This saves time and usually money, too.

6. You can enjoy an income that you (and if you wish, your wife) can never outline!

But let's be fair; an annuity is not the answer every time. It's not a short-term product. It's not designed to be a "put and take" account where you stick some money in and then take it out a short time later. There is a reducing early withdrawal penalty

over the first seven years if you take out more than the 10% free withdrawal (available after the first year). That feature, in all annuities, not just the KofC, is to encourage younger people to leave the money alone until at least retirement age. For those that are older, it is to encourage them to focus on the longevity of retirement.

So, although there are situations where an annuity is not the proper product, there are many where it is...And we haven't even talked about triple compounding, protection from creditors and other features.

How do you know if an annuity is right for you? Meet with me and let's look at your goals. It might be the perfect fit.

Where do you keep your safe money?
